SOMM DIPLOMA IN MUSCULOSKELETAL MEDICINE

Are you an overseas Physiotherapist aiming to stand out in Musculoskeletal Medicine?

Start with the SOMM Diploma – Elevate Your MSK Career Internationally.

The SOMM Diploma in Musculoskeletal Medicine is your pathway to advanced clinical practice and academic recognition. Designed by experts and trusted by employers in MSK settings, this diploma builds deep clinical reasoning, hands-on skills, and professional credibility.

Many students who attend our courses come from a private and NHS background, and choose SOMM to enhance their skills and increase their job opportunities in the MSK field.

WHY CHOOSE SOMM?

- **It's a highly respected qualification in MSK practice.**
- **Employers consistently recommend SOMM Foundation and Diploma courses for career progression.**
- **You can use up to 80 credits from SOMM courses toward the Advancing Practice in Musculoskeletal Medicine MSc/PgDip at Queen Margaret University, Edinburgh (QMU).**

This pathway gives you:

- 1. A robust clinical qualification with SOMM.**
- 2. A credible academic award with QMU.**
- 3. A competitive edge in MSK practice.**
